

Are You Lawn Bowling Curious??

Here's a chance to learn more about this gentle and very social sport. It's like curling on grass, but without the sweeping! Come out for an informative lesson and to try your hand at bowling an end or two.

This is a private event for Lake Country PROBUS Club, so no need to be shy!

When: Friday, July 15th 1pm

Where: Orillia Lawn Bowling Club

5 Commerce Rd.

(Behind Century 21 - between the Fire Station and Patrick Fogarty Secondary School – just north of West St.)

Cost: \$5 at the door for our PROBUS club members

All you need is a pair of flat shoes or runners (no stilettos please), water, a hat, sunglasses, and ... don't forget your sunscreen.

Bowls will be on loan from the Club and we have aids to ensure those with hip, back, or knee mobility issues can participate as well.

So, come on out and try something new! **RSVP to sandyanne@rogers.com**
